

ESSS Extended Monitoring Agreement Form

With included Premiere Comfort Labor Warranty

For Ecoer/existing 3rd party indoor units

The homeowner agrees to purchase from a Certified Ecoer Dealer, the (ESSS) Monitoring Service for the period of time selected below. This (ESSS) Monitoring Service is a paid subscription and use AT&T 4G LTE cellular data to send their system information to the cloud-based platform for monitoring by Ecoer Inc. and your selected Certified Ecoer Dealer. By signing this agreement, the homeowner gives the rights to Ecoer and their selected Certified Ecoer Dealer the ability to monitor their HVAC system(s). The homeowner has a right to disconnect the monitoring service at any time but will lose the capability of the monitoring service by their selected Certified Ecoer Dealer. This monitoring service is transferable to a new owner, if the house is sold during the monitoring time period selected.

The homeowner has the ability at any time to change the selected Certified Ecoer Dealer, but they must contact Ecoer Inc., directly at www.support@ecoer.com to do so. At the end of your selected monitoring service agreement, you will receive an email stating that your service needs to be renewed. Please contact your selected Certified Ecoer Dealer to extend your ESSS Monitoring Service.

Premiere Comfort Labor Warranty

The ESSS monitoring service plans available also include labor coverage per for the period of time selected below. This labor coverage is included from Ecoer at no additional cost. The included labor coverage will cover work performed on the Ecoer outdoor unit and IoT gateway only.
