

## **Personal Use Program Distributor Instructions**

**With this program, Ecoer is willing to cover a 1/3, the distributor will pay a 1/3, and the dealer will pay a 1/3 of the distributors cost. This program is limited to 2 systems per contractor (all time).**

1. The personal use system is to be sold to the contractor at no more than 33% of the distributor's cost.
2. Submit Distributor Invoice for Contractor to Ecoer, with Personal Use Program application filled out.
3. Ecoer will credit the distributor .33 of the cost (@ distributor cost) for that system.
4. This program is for current distributors with Ecoer products in stock to fulfill personal use system requests.
5. Ecoer will not ship systems to fulfill personal use system requests.
6. These must be full systems, installed with the IoT gateway.
