- III. For most warranty claims involving specified parts (i.e. PC Board, Motors, Compressor, Coils, TXV), the part must be brought back to the distributor you purchased the Ecoer unit from. Distributors must send part back to Ecoer Inc. for testing and full credit.

#### WARRANTY COVERAGE

Ecoer Inc. (hereinafter “Company”) warrants this Product against failure due to defect in materials or workmanship under normal use and maintenance. All warranty periods begin on the date from the short of original installation and startup date. In the case that the certificate proof of installation or startup date is not available, the commencement date shall be 90 days after the factory manufacture date verified by the Product serial number. If a part fails due to defect during the applicable warranty period, Company will provide a new or remanufactured part, at Company’s option, to replace the failed defective part at no charge. If a Product part is not available, Company will, at its option, provide a free suitable substitute part or provide a credit in the amount of the then factory selling price for a new suitable substitute part to be used by the purchaser towards the retail purchase a new Company Product.

While, the owner of the Product must pay for any and all shipping and handling charges and other costs of warranty service for the replacement part. Except as otherwise stated herein, those are Company’s exclusive obligations under this warranty for a Product failure. This limited warranty is subject to all provisions, conditions, limitations and exclusions listed of this document.

## Limited Warranty - Residential

For Products installed in a one or two family residential dwelling, Company warrants that all compressors and internal components incorporated into the Heat Pump are covered for **ten (10) or five\*\*a,b (5\*\*a,b) years**. Parts with failure due to seacoast corrosion\*\*c, warranty may be void.

- a) If an approved Ecoer matched system (AHRI published) that is properly registered within 90 days of original installation and startup date, otherwise **five (5) years** will be given (except in California and Quebec and other jurisdictions that prohibit warranty benefits conditioned on registration).
- b) Five (5) years if using Ecoer Inverter Ducted Split System Condenser EODA Series matched with another 3<sup>rd</sup> party indoor units or coil (i.e. No AHRI published Ratings with Ecoer Condenser units). **Ten (10) years** may be authorized by Company if installed by an Ecoer Certified Dealer, installed to manufacture's specifications with new 3<sup>rd</sup> party indoor unit or coil, has IoT Gateway installed at time of startup date, and being monitored by Ecoer Inc. and Certified Ecoer Dealer.
- c) Seacoast and Environmental Corrosion is defined as corrosion on an outdoor unit that affects unit performance and is caused by repeated exposure\*\*NOTE to sodium chloride, sodium hydroxide, sodium sulfate, and other compounds commonly found in ocean water. If determined to be seacoast or environmental corrosion that affects system performance, warranty may be void.

**NOTE:** Repeated seacoast corrosion often occurs within ten miles of the coastline. Corrosion on coils must exceed 3'' above the bottom of the base pan of the unit.

## Limited Warranty - Commercial

For Products installed in a commercial building, and not a one or two family residential dwelling, Company warrants that all compressors and internal components incorporated into the Heat Pump for **three (3) years**.

## Limited Warranty for IoT Gateway and Thermostat

EG910L: **Three (3) years**

EST01: **Three (3) years**

## WARRANTY CONDITIONS

- a) To obtain the longer warranty periods as illustrated above, the Product must be properly registered by Ecoer Smart Service Pro App or at [www.ecoer.com](http://www.ecoer.com) within ninety (90) days of original installation or startup date. In jurisdictions where warranty benefits conditioned on registration are prohibited by law, registration is not required, and the longer warranty period will apply.
- b) Where a Product is installed in a newly constructed home, the date of installation is the one the homeowner purchased the home from the builder.
- c) Product must be installed properly and by a licensed HVAC technician.
- d) Installation, use, care, and maintenance must be normal and in accordance with instructions contained in the installation guides and service manuals.
- e) Defective parts must be returned to the distributor through a registered servicing dealer.

## LIMITATIONS OF WARRANTIES

All implied warranties and/or conditions (including implied warranties or conditions of merchantability and fitness for a particular use or purpose) are limited to the duration of this limited warranty. Some states or provinces do not allow limitations on how long an implied warranty or condition lasts, so the above may not apply to you. The express warranties made in this warranty are exclusive and may not be altered, enlarged, or changed by any distributor, dealer, or other person, whatsoever.

## ITEMS NOT COVERED

1. Products installed outside the United States or its territories and Canada.
2. Any labor or material costs for removal, reinstallation, repair and replacement of the defective component or part, or new units.
3. Any Product not installed pursuant to applicable regional efficiency standards issued by the Department of Energy.
4. The workmanship of any installer. Ecoer Inc. disclaims and does not assume any liability of any nature of unsatisfactory performance caused by improper installation, repair or maintenance.
5. Normal maintenance as outlined in the installation and servicing instructions, including filter cleaning and/or replacement and lubrication.
6. Scratches in or discoloration of finishes.
7. Failure, damage or repairs due to faulty installation, misapplication, abuse, improper servicing, unauthorized alteration or improper operation.
8. Failure to start or damages due to voltage conditions, blown fuses, open circuit breakers, or the inadequacy, unavailability, or interruption of electrical provider.
9. Failure or damage due to floods, winds, fires, lightning, accidents, corrosive environments (salt spray, rust, etc) or other conditions beyond the control of Company.
10. Parts not supplied or designated by Company, or damages resulting from their use.
11. Electricity or fuel costs, or increases in electricity or fuel costs from any reason whatsoever, including additional or unusual use of supplemental electric heater.
12. Refrigerant, including any other cost to replace, refill or dispose it.
13. Any IoT Gateway problems because of the local Carrier.
14. Any special, indirect or consequential property or commercial damage of any nature whatsoever. Some states or provinces do not allow the exclusion of incidental or consequential damages, so the above limitation may not apply to you.
15. Any failures due to unauthorized modifications of the Product after the shipment from Company or its supplier.

This Warranty gives you specific legal rights, and you may also have other rights which vary from state to state or province to province.
