

Personal Use Program Distributor Instructions

With this program, a contractor that you are trying to bring onboard and allow them to try one of our systems to truly see the benefits of Ecoer can receive a 20% discount! Please read below for program guidelines, and instructions.

Guidelines

1. The contractor is to fill out the attached form, and certify that they will only be using this for personal use.
2. The total discount to the contractor is 20%, of which Ecoer will contribute half.
3. Ecoer will reimburse the distributor our contribution amount in the form of a credit to the distributor.
4. This program is only available for Ecoer stocking distributors.
5. There is a limit of 2 personal use systems per contractor, all time.

Instructions

1. Send in the personal use application to programs@ecoer.com along with your Invoice to the contractor, showing a 20% discount to the contractor for the Ecoer system as a bottom of invoice discount. **The serial numbers for the equipment included in the personal use discount must be included with the invoice, or noted otherwise by the distributor.**
2. Ecoer will send a credit memo for our portion of the discounted .
